--- 25 Cigarettes - Series “C” - two digit codes - as used by “Imperial Tobacco”, Guelph - 1958-64 ---

--- using parallel Gothic numbers - in BLACK ink - reading vertically down at the top ---

The “Peter Jackson” number series runs through **99** and begins anew at **11** (using a figure **1** - with serif and foot) and merges into the subsequent series (with the company code reading vertically down) at about **23**.

--- with [1-17E **] reading horizontally across the bottom - 32 copies to date ---**

It seems that **l 3** was always omitted from the code sequence. At least I have found no example of such usage.

The previous number series runs into and meshes with the “Wings” sequence at about **22**. The switch from **1-17E** to **17E-1** occurs at about **23** on Series “C” in 1965, and the “Wings” Series was introduced in 1968 at **70**.
